The RAISE Education Trust Values

Resilience	<ul style="list-style-type: none">● Developing the skills and mindset to overcome challenges independently.● Demonstrating determination and persistence in the pursuit of goals.● Learning from every experience and using setbacks as opportunities for growth.
Ambition	<ul style="list-style-type: none">● Fueling our pursuit of excellence by inspiring our community to set ambitious goals and equip them with the tools and knowledge to turn their aspirations into reality.● Embracing creativity and original thinking to find new and better ways of doing things.● Cultivate a spirit of ambition that propels our community toward meaningful achievements.
Integrity	<ul style="list-style-type: none">● Encouraging a culture of honesty and transparency among all members of our community.● Recognising and admitting when one is wrong, and being open to learning and growing from experiences.● Creating an environment where everyone respects each other and takes responsibility for their actions.
Sustainability	<ul style="list-style-type: none">● Developing a culture that values sustainability and encourages behaviours that have a positive impact on our planet and society.● Instilling a sense of pride in your community by promoting fair and just treatment for all individuals, regardless of background or identity.● Striving for continuous improvement and accountability that avoid resource depletion or economic instability
Excellence	<ul style="list-style-type: none">● Setting high academic standards that promote a culture of continuous learning and development.● Fostering an atmosphere that values experimentation and challenges learning, encouraging all members of the community to strive for excellence in their academic and personal pursuits.● Cultivating a positive and motivating environment which acknowledges and celebrates individual and collective successes.

Our Trust Vision

To provide a vibrant, inclusive learning experience that inspires and nurtures the unique potential of each individual, providing them with knowledge and skills to thrive and contribute meaningfully to our community.

Putting our words into actions (OFSTED)

Boorley Park School - September 2023

- Pupils love their school. They are very enthusiastic about learning and are happy
- This school is ambitious for all pupils to do well and achieve their very best.
- The curriculum ensures high ambition for all pupils, including those with special educational needs and/or disabilities (SEND), to achieve well.
- Pupils behave well. They walk around the school in a calm and orderly manner. Pupils say that there is nowhere in the school where they feel unsafe. They state that everyone is kind.

Wildern School - April 2024

- Pupils are prepared well for life beyond school. They achieve well across a range of academic and vocational subjects
- Alongside this, the school's 'education for life' programme gives pupils a firm understanding of tolerance and respect.
- The school sets high expectations for pupils' academic learning. This is mirrored by an emphasis on developing character and resilience.
- Teachers and leaders make purposeful use of assessment information. This enables them to provide targeted support for pupils who need it.
