A Guide for Students & Parents

Deer Park Exam Centre Number: 58202 Email: exams@deerparksecondary.org

Telephone: 01489 351100

Dear Students & Parents,

Deer Park aims to ensure that the exams process is as smooth as possible for all students in what can sometimes feel like a pressured time for families.

By providing this information booklet of our routines and procedures prior to our year 9 practice exams our intention is to give our families the knowledge to help ensure all of our students are ready for the logistics of sitting the exams successfully.

The awarding bodies externally set down strict criteria which must be followed for the conduct of examinations and we are required to follow them precisely. By following these rules throughout KS4 it will ensure that all students by the end of year 11 will be fully prepared and confident in the process and will be able to focus fully on revision and being successful in their GCSEs

If you require any help or advice before the exams please contact our examinations officer Mrs C Clarke. If you require any subject specific information please contact subject teachers directly.

Kind Regards,

Mrs Dixon
