

Deer Park School

Welcome to our first newsletter which we will send every few weeks to give you updates on key information and dates. We are so excited to meet you all in person at the end of June in your new school. You will meet some of the new staff we have appointed and the other students who will be starting with you. Our current Year 7 are really excited to meet you and will be around to help you on your transition day and in September.

Deer Park School has been a new adventure for all of us and I hope you are ready to experience some amazing things on your journey with us. You still have half a term at your current school which you must make the most of and enjoy every minute of. We will continue to work behind the scenes getting everything in place ready to welcome you all in September.

I have really enjoyed getting to know you all recently having visited most of your primary schools or met you here at Deer Park School.

We are working really hard behind the scenes here to gather as much information as possible and we look forward to seeing you all on Thursday 30th June for your Induction Day; a great opportunity for you to meet the staff and your fellow students. Don't forget to bring your parents back in the evening as well! More information will be sent shortly.
