

Deer Park School

Welcome to our first newsletter which we will send now every few weeks to keep you all up to date with the building development and key updates and information. We are so excited to meet you all in person which we hope will be in July in your new school. There you will meet some of the new staff we have appointed and the other students who will be starting with you. For all of us this will be a new adventure and I for one can not wait for it to start. You still have a term at your current schools which you must make the most of and enjoy every minute. We will continue to work behind the scenes getting everything in place ready to welcome you all in September. For now have a great Easter holiday.

As part of your transition to Deer Park School, we are already busy talking to your primary schools and sharing information with them. You're probably wondering when your official Induction Day is? The delay in telling you a date is because we are hoping to hold this day at Deer Park so you can see your incredible new school before the Summer break. Once we have a confirmed date we will let you know but we expect it to be in the first two weeks of July. We felt it was right that you are the very first people to go inside and use your amazing school.
